WORK EXPERIENCE

July 2022 - September 2023

Blueprint Digital Company

GMB Pre-verification and Post-verification member

- Associating each GMB photos with its corresponding geographic coordinates, typically recorded using GPS technology.
- Implement quality control measures to minimize errors in geotagging. Double-check geotagged photos for inconsistencies or outliers that may indicate inaccuracies.
- Use the GMB dashboard to upload the selected and organized geotagged photos. Follow the prompts and guidelines provided by GMB for uploading photos.
- Carefully review and verify the accuracy of the business's Name, Address, and Phone number information listed on the GMB profile.

July 2023 - November 2023

Hooli Software

Technical Designer Intern

- Proficiency in creating visually appealing and effective designs for digital and print media. Developing and maintaining brand consistency across various design elements.
- Mastery of design software/tools such as Adobe XD and Canva for graphic creation and editing. Creating visually engaging and user-friendly website interfaces.
- Understanding user experience (UX) and user interface (UI) design principles to enhance product usability. Designing interfaces that adapt seamlessly to different devices and screen sizes.
